

# 30" Induction Range

Made in Italy

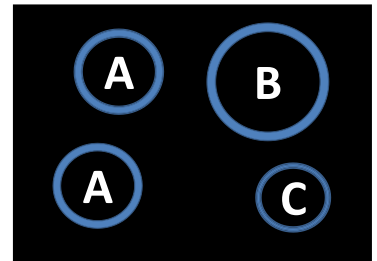

Specifications		
Model Number		<b>UPS176MP</b>
General Features	Size	30"
	Type	Induction Cooktop Electric Oven
	Digital Clock and Timer	Yes
	Electronic Ignition	Yes
	Control Knobs	Chrome
	Color	Stainless Steel ONLY
	Warming Drawer	Full Width
	Power Requirements	120/240 Volt 60Hz. 50 Amp
Cook Top Features	Burners	4
	Rapid (1) 8 ¼" (B)	2,300W - 3,200W Boost
	Semi-Rapid (2) 7" (A)	1,850W - 2,500W Boost
	Standard (1) 5 ¾" (C)	1,400W - 1,800W Boost
	Pot Sensor	Yes
	Child Safety	Yes
	Sealed Top Surface	Yes
	Overheating Protection	Yes
Main Oven Features	Continuous Clean Panels	Optional
	Multi Function	Yes
	Oven Capacity (Cu Ft.)	3.0 Cu Ft
	Convection Bake	3,200 W
	Convection Broil	2,500 W
	Grill-Baking or Broiler	Yes
	Total Power Rating	3,700 W
	Oven Temperature Range	75° - 500°
	Preheat Indicator Lamp	Yes
	Racks	2
	Triple Glass Removable Door	Yes
	Electronic Programmer	Yes
	Proofing Mode	Yes
	Rotisserie	Yes
Dimensions	<b>Overall:</b>	
	Width (in)	29 ¾
	Height (in) w/o Backguard	35 ¾- 37 ¼
	Height (in) of Backguard	2 ⅝
	Depth (in)	23 ¾
	<b>Internal Oven:</b>	
	Width (in)	21 ¼
	Height (in)	13 ¾
	Depth (in)	17 ¾
	Weight (lbs.)	190 lbs.

## Cook Top Configuration

Storage / Warming Drawer

## ELECTRICAL CONNECTION

This unit is manufactured for a polarized, grounded 120/240 volt 60Hz (2 phases 6 AWG, 1 neutral 8 AWG, 1 ground 8 AWG with 4 prong plug – see image).

Check and ensure that the supply voltage and the line current matches the specifications given on the rating plate.

**See installation manual for additional details**
